

Table 1 - An aid to understanding your companions needs.

version 1.5 - Companion list by class

Note: gifts are available in five ranks, the higher the rank, the more affection earned. While lower rank gifts may be bought from vendors or off the GTN, higher value and rank gifts are earned through missions. Some are particularly rare. The table below gives you a starting point, but the rest is yours to discover.

Name	Found on	Species	Gender	Force	Armour	Spec	Gifts - most preferred	Gifts - also suitable

* not an actual gift, capisce?

Legend

(F) - Force user	Companion is a Force user, able to use variety of force powers in attack
♥ M or F	Romanceable character for M - male or for F - female toons
RT - Ranged Tank	Stances, attacks and gear that draw aggression. Includes powerful blasts. AoE attacks and attacks that pull mobs into melee range.
MT - Melee Tank	Multiple ways to draw fire, as well as powerful close-range attacks
RD - Ranged DPS	Two attack stances: Sniper- focuses on gun attacks - most effective for one-on-one combat; Assault- utilises explosive attacks - most effective against groups
MD - Melee DPS	Emphasis on close range attacks, inc. lightsabers, vibroblades or electrostaffs, flamethrowers, oil slicks and other wrist mounted weapons
H - Healer	Restores health. In later levels you unlock control abilities (eg cabonized stream, where companion assigned to focus on keeping an enemy out of combat
